New Mexico Healthy Workplaces Act/ New Mexico Paid Sick Leave 1.5 CEU **NM Workforce Solutions**

In July of 2022, the Healthy Workplaces Act was enacted for all employees in the State of New Mexico. This Act requires all Employers across the state to provide sick leave to employees regardless of the size of the business. This presentation is to inform employees and employers of their rights and obligations under the Healthy Workplaces Act.

Are You Tired of Wiping? New Technology Meets Infection Control 1.5 CEU **Sponsored by MCS**

Paul Saueressig, founder MCS. Learn how to decrease by 75% the amount of time that you currently spend cleaning and wiping services in your dental office while assuring that your practice is as safe and clean as possible. This course will satisfy the infection control requirement for license renewal.

Bonus: a chance to win \$100!

*Must be present to win

12:00 – 1:00 Lunch/**NMDHA General Membership Meeting and Current Issues .5 CEU**

Contemporary Dental Caries Management

Lisa Dowst-Mayo, RDH, BSDH, MHA 1.5 CEU

Sponsored by vVardis

Contemporary preventive dentistry has undergone a paradigm shift in the identification, classification, and management of carious lesions in the last decade. Learn to select the appropriate chemotherapeutic intervention based on the patient presentation.

Botox and Fillers: Aesthetic Medicine & Dentistry

Lindsey Lee, RDH, MS, LPN 1 CEU

This lecture will give an overview of how neuromodulators and dermal fillers can be successfully integrated into a dental practice. We will also discuss the conditions that can be treated with neuromodulators and how to use neuromodulators as an adjunct therapy to improve patient outcomes and their quality of life.
